### Information according to Article 33 (1) REACH-Regulation

Dear Sir or Madam,

On 1 June 2007, the European Regulation (EC) No. 1907/2006 for Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force. The purpose of this regulation is to ensure a high level of protection of human health and the environment.

In accordance with Article 33 (1) of the REACH-Regulation, our company, as a supplier of articles and complex objects, consisting of several articles, is obliged to provide our customers in the European Economic Area (EEA) sufficient information, provided that these articles contain substances of very high concern (SVHC) with a concentration of more than 0.1 % weight by weight. A list of these substances can be found on the candidate list of the European Chemicals Agency (ECHA): <https://echa.europa.eu/de/candidate-list-table>

In order to comply with the communication requirements according to Article 33 (1) of the REACH Regulation, we ask you to send this document (duly signed acknowledgment of receipt) and, where necessary, informations on articles containing SVHC by e-mail to the following address: [einkauf@mbda-systems.de](mailto:einkauf@mbda-systems.de)

If you have any questions, please do not hesitate to contact us.

**Note:** In addition to the signed acknowledgment of receipt, your company's own statement on the REACH Regulation is considered equivalent.

Kind regards,

MBDA Deutschland GmbH Purchasing
